

Polished Chrome

The integrity of solid brass plated in highly polished chrome for a stunning mirror smooth finish lends authenticity to modern retro designs and futuristic high tech settings.

Satin Nickel

The perfect design solution for applications when both silver tones and an aura of understated sophistication are needed.

Oil-Rubbed Bronze

A finish that starts its long life with a matte black appearance blooms, with time and handling to reveal subtle bronze highlights that suggest they have been centuries in the making.

Maintenance: Your new faucet is designed
for years of trouble-free performance. Keep
it looking new by cleaning it periodically
with a soft cloth. Avoid abrasive cleaners,
steel wool and harsh chemicals as these will
dull the finish and void your warranty.

Entretien: Votre nouveau robinet est conçu
pour fonctionner sans problèmes, des années
durant. Le nettoyer périodiquement avec un
chiffon doux pour qu'il conserve la même
apparence qu'a l'état neuf. Éviter les
nettoyants abrasif, la laine d'acier et les
produits chimiques forts puisqu'ils
endommageront le fini et rendront votre
garantie nulle.
