Water Depth	7-1/2"
Drain Hole	3-5/8" D
*Approximate measurements for comparison only.	

Please Note: Due to the Singulation's long straight sides and front, it is very difficult to guarantee perfectly straight lines during the curing process. The manufacturer's warranty policy allows up to 6mm (approximately 1/4") of curve or unstraightness. Since this sink is usually mounted with an overhang, the back and sides should not be an issue and the front is considered acceptable if within this tolerance. Please take this potential small variation into account.
