33" x 22" x 9-1/2"

The "Milam" (only available in Radial) is a specially designed HANDMADE sink that is the ultimate for a laundry room sink. With a rounded radial design, heavy duty 15 gauge steel and a 12" depth bowl, it can be mounted either under-counter or as a drop-in.

The "Henderson" (available with Radial bowls) is a unique HANDMADE 15 gauge "Drop-In" design, that simply replaces the traditional 33" x 22" drop-in sink. When installed, it gives an otherwise plain kitchen a new upscale and updated look.
